Bar Crusher 615C is an evolutionary version of one of the most popular models in the award-winning range. Designed for inshore and offshore fishing this popular cuddy cabin model is widely acclaimed as the perfect all-round boat for Australian conditions. Its equally capable of running miles offshore, chasing tuna and marlin, or sitting at anchor snapper fishing with the family.

The 615C was the testing and launch pad of the GEN2 hull. Its proven performance benefits are next level.
