Electronic

Our SWIFT range of V Nose Punts are for the angler who wants more useable features than just a pair of thwart seats and a rope shelf that most traditional dinghies have to offer. A full carpeted floor with (5) floor sockets allows for greater seat positioning and combined with a raised casting platform, gives 360° of fishable area. To keep the floor clutter free, a tank rack is located under the casting platform with a CE certified fuel line running under the floor to the transom. Wide side decks are also a standard feature that provide maximum strength and functionality.

All SWIFT are now built as High Side (HS) option as standard giving

INCLUDES

Painted outside only - pipeline grey

Deluxe Decals - sky blue & white

Electric motor provision

Safety kit - 2 person (smooth water)

Boat & trailer registration
