

Boat	Sea Jay 418 Swift
------	-------------------

Motor	Yamaha F25 hp
-------	---------------

Trailer	Redco RES1213S
---------	----------------

Electronic

Our SWIFT range of V Nose Punts are for the angler who wants more useable features than just a pair of thwart seats and a rope shelf that most traditional dinghies have to offer. A full carpeted floor with (5) floor sockets allows for greater seat positioning and combined with a raised casting platform, gives 360° of fishable area. To keep the floor clutter free, a tank rack is located under the casting platform with a CE certified fuel line running under the floor to the transom. Wide side decks are also a standard feature that provide maximum strength and functionality. (* 438 Swift pictured).
