Trying to find a Boat to suit many different estuary applications can be tough; however, our ALLROUNDER models have made this choice easy. A full open floor creates a copious amount of room that carries fishing rods & tackle, crab pots, nets and camping gear with room to spare. An Anchorwell and long side pocket allows for even more storage with a Sounder Mount Plate also fitted for extra convenience. Topped off with wide side decks for strength (and a place to fit rod holders), many Seat Pedestal positions and a rear step & rail for ease of entry, the ALLROUNDER is more than capable to suit your fishing needs. *(428 and 468 Allrounder pictured)
