

# SEA JAY 520 VISION

**ENQUIRE NOW**

**Boat** Sea Jay 520 Vision

**Motor** Yamaha F90 Hp

**Trailer** Redco RS510MO

## Electronic

The 520 Vision features the SAMURAI HULL, which features a raised sheer line (swept bow) and also incorporates our reverse chine. This streamline hull has been designed carefully to achieve the best performance possible. Testing this model was a unique experience as it sliced through the waves, due to the sharper entry improving the ride. The Vision is a traditional centre console with the ability to fit the optional T Top. The Vision is available in three hull lengths, so take a look over the listed specification and features for a good appreciation of this model.
