ENQUIRE NOW

Boat Sea Jay 550 Vision

Motor Yamaha F130 hp

Trailer Redco RS560TMO

Electronic

The 550 Vision features the SAMURAI HULL, which has a raised sheer line (swept bow) and also incorporates our reverse chine. This streamline hull has been designed carefully to achieve the best performance possible. Testing this model was a unique experience as it sliced through the waves, due to the sharper entry improving the ride. The Vision is a traditional centre console with the ability to fit the optional T Top. The Vision is available in three hull lengths, so take a look over the listed specification and features for a good appreciation of this model.
